SPONSOR

Candidates will need to ask a member from the faith community who is fully initiated and an active Catholic to be their sponsor for Confirmation. Sponsors serve as a role model and companion for the teens during the preparation process and will be the person presenting the candidates to the presiding bishop on Confirmation Day attesting to the candidate's readiness for full initiation. The commitment during the process entails having ongoing conversations and interactions with the teen, particularly related to faith. Sponsors will also need to be present at the sponsor session, the rehearsal dinner and the Rite of Confirmation. It is recommended that the candidate's baptismal godparent be his/her sponsor to emphasize the unity between Baptism and Confirmation. Parents should not be the sponsor.

SACRAMENTAL PREPARATION

Teens have the choice of attending sessions in the Fall or Winter at the various times offered. Teens should consistently attend the time option they selected, however if they cannot make the one they originally signed up for they can attend an alternative time. In addition to participating in the sessions, teens are also required to attend a Confirmation Year 2 Retreat.
